PUBLIC NOTICE: UNAUTHORISED USE OF THE NIGERIA SOVEREIGN INVESTMENT AUTHORITY'S CORPORATE IDENTITY AND INVESTMENT IMPERSONATION ALERT

Abuja, June 2026: The Nigeria Sovereign Investment Authority (“NSIA” or “the Authority”) wishes to draw the attention of members of the public to an online platform operating via the website **m.dxtune7.com** and associated online channels, currently using the NSIA name, logo, corporate identity and presents itself as being affiliated with NSIA and/or the “Nigeria Sovereign Wealth Fund” in connection with purported investment offerings.

The Authority states unequivocally that it has no affiliation, association, endorsement, or relationship whatsoever with the platform, its operators, promoters, or any associated products or services.

NSIA further clarifies that the use of its name, logo, and corporate identity on the platform is unauthorised and does not relate to any investment product, scheme, programme, or initiative offered or managed by the Authority.

Members of the public are advised that NSIA does not solicit investments from individuals through online platforms, social media channels, messaging groups, or mobile applications. Any representation suggesting that NSIA is connected to, endorses, or operates the referenced platform is false and misleading.

The Authority is concerned that the platform displays signs commonly associated with unregulated and potentially fraudulent investment schemes, which may expose unsuspecting members of the public to financial loss.

Accordingly, members of the public are strongly advised to exercise caution, refrain from engaging with the platform, and avoid making any payments or disclosing personal or financial information.

The public is further encouraged to independently verify any information purportedly associated with NSIA through the Authority’s official communication channels below:
